AI & Emerging Technologies

Staying updated on trends in artificial intelligence and tech innovation.

Front-end Development

Building intuitive and user-friendly web applications.

Language

- English
- German

ASAL RAZAVIZADEH

Front-end Developer

Professional Experience

I am Asal Razavizadeh, a 22-year-old Front-end Developer and a Computer Engineering student at Islamic Azad University of Mashhad. I have a strong foundation in front-end development with over a year of hands-on experience at Ferdowsi Cloud Company, specializing in creating responsive and user-friendly web applications.

FerdowsiCloud

2023 – 2025

Ferdowsi Cloud Computing Company affiliated with Pishgaman Ferdowsi Mashhad University Holding was started by a group of faculty members of the Computer Engineering Department of Ferdowsi University of Mashhad with the aim of launching cloud computing services in 2018.
